So that is the 2023 Member Auction listing of 222 Lots.

We are set for a fantastic day with the Committee plus a number of Members all volunteering to run another very professional Member Auction just like last year and many before that. This follows the history formed over many years due predominantly to the efforts of former President, the late John Corfield.

Covid requirements are part of the planning too, please see the Club policy.

We look forward to seeing many Members there helped by:

- The full listing issued 4 weeks earlier than normal.
- The list uploaded to the Club website on or about Wednesday 12th July.
- Photos of some lots added to website 12th July and to Club Facebook.

Cheers Dominic and Club Committee
