Welcome to the Australian Scalextric Racing and Collecting Club (A.S.R.C.C.) annual Member slot car auction, an exciting day with 260 lots.

- * Viewing commences at 9am.
- * Auction starts at 10am with first lot going under the hammer. The last lot 260 expected to be at 3.15pm.
- * Before the auction starts, about 9.50am, all non-Club officials will be asked to exit the hall to be identified as a Member for free entry or pay \$10 entry.
- * We will provide additional bidding information before the first lot is auctioned and a brief opportunity for questions.

Some key things to remember:

- * When bidding, please bid loudly and clearly, but not yelling, and raise your hand. Ideally in \$5 increments.
- * If you are the top bidder and buy the item, please head quickly to Dominic, the cashier. Correct cash is appreciated.
- * We expect to have 3 short breaks. Auction should conclude 3.15pm. If we are going slower than expected we may ask bidders to help us speed up.
- * Please respect the hall using bins for rubbish and taking care to avoid making any mess, we like this hall and want to return!

Some key things Covid-related:

- * Mask wearing is recommended but optional at your choice.
- * Please social distance as much as possible. It is a large hall so very possible. Please use the hand sanitiser provided.
- * If you are unwell please think of others and your own health and we ask you not attend this year's Member's auction.

Cheers Dominic & the Club Committee
