Welcome to the Australian Scalextric Racing and Collecting Club (A.S.R.C.C.) annual member slot car auction.

We have an exciting night ahead with 330 lots to be auctioned.

* Viewing commences at 4pm.

* Auction starts at 6pm with first lot going under the hammer.

* Before auction starts, about 545pm, all non-committee asked to exit the hall to pay entry.

* We will provide information before the first lot is auctioned and opportunity for questions.

Some key things to remember:

* If bidding, please bid loudly and clearly, and raise your hand. Ideally in \$5 increments.

* If you are the top bidder and buy the item, please head quickly to Dominic, the cashier. Correct cash is appreciated.

* We expect to have 3 short breaks. Auction should conclude 11.30pm. If we are going slow, we ask bidders to speed up.

Cheers
