

# C3235 - AUSTRALIAN CLUB CAR 2011

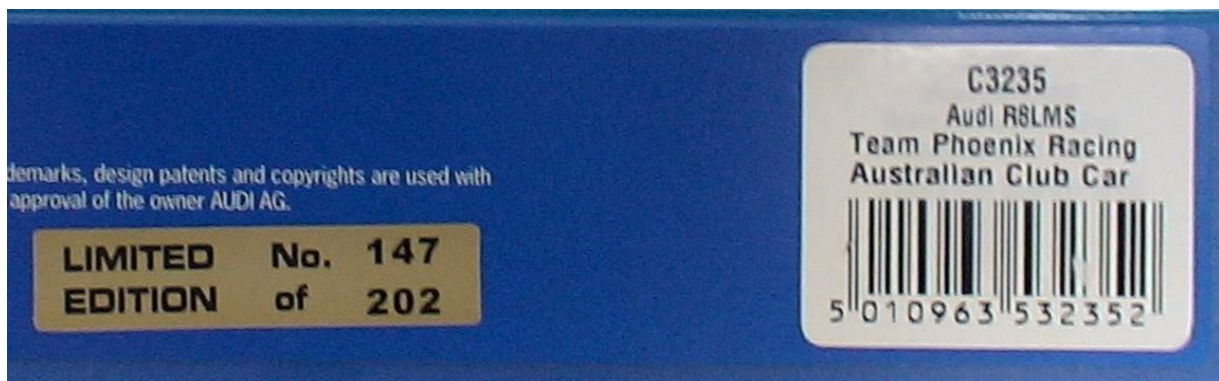

Our 20<sup>th</sup> Anniversary Club Car has arrived. The livery is that of Team Phoenix Racing, with our Club Logo on the roof. Scalextric have produced this exciting livery in line with market demand for actual Racing liveries rather than custom design, and what a great livery it is. The Special Limited Edition celebrates the 20<sup>th</sup> year of the Club and with only 200 cars available will be truly collectable (a production run of 5000 often being described as “Limited”)

Car 97 : the car that won class and placed third outright in 2010 : an amazing result.

Even looks fast in the box !

The Special Limited Edition is **available only to Members** of the ASRCC who send payment with order to the Secretary.

You can join and order your car NOW. Do not delay as only limited stocks available.

**These cars are very rare and very collectable.**
