

The Sunday 11th August 2024 Member Auction List: All 222 Lots!!!

Looking forward to seeing many Members at the Auction on Sunday.

Here is the complete auction list with all 222 lots listed in order. We have issued 4 weeks before event to help Members review the list and plan their attendance. It will be worth being there.

Some key highlights to set the scene with viewing from 9am, first Lot 10am:

- Formal event details in the flyer, final information in August Club Lines.
- Whilst we don't have multiple no reserve lots we have over half the auction with very reasonable reserves due to multiple sellers being very keen to not take anything home!
- We have one donated item for charity fundraising:
 - Lot 180 Charity: Duplicate Club Presentation Cheque to Prostate Cancer B12Hr 2024. Signed by Lowndes, Waters and Randle.
- We have three Scalextric high-end items:
 - Lot 59 C71 Auto Union Yellow VGB
 - Lot 60 C96 Auto Union Race Tuned White MB
 - Lot 120 James Bond 1960s set with Mercedes and Aston Martin GC
- Scalextric are a relatively high 147 or 66% of the 222 lots.
- Every decade of Scalextric is represented. The oldest is Lot 120 James Bond 1960s set with Mercedes and Aston Martin in good condition.
- Condition details and how many of each are as follows, add B if boxed:

	No Box	Add B for Boxed	Total

So that is the 2024 Member Auction listing of 222 Lots.

We are set for a fantastic day with the Committee plus a number of Members all volunteering to run another very professional Member Auction. Just like last year and many before that, following the history formed over many years due predominantly to the efforts of former President, the late John Corfield.

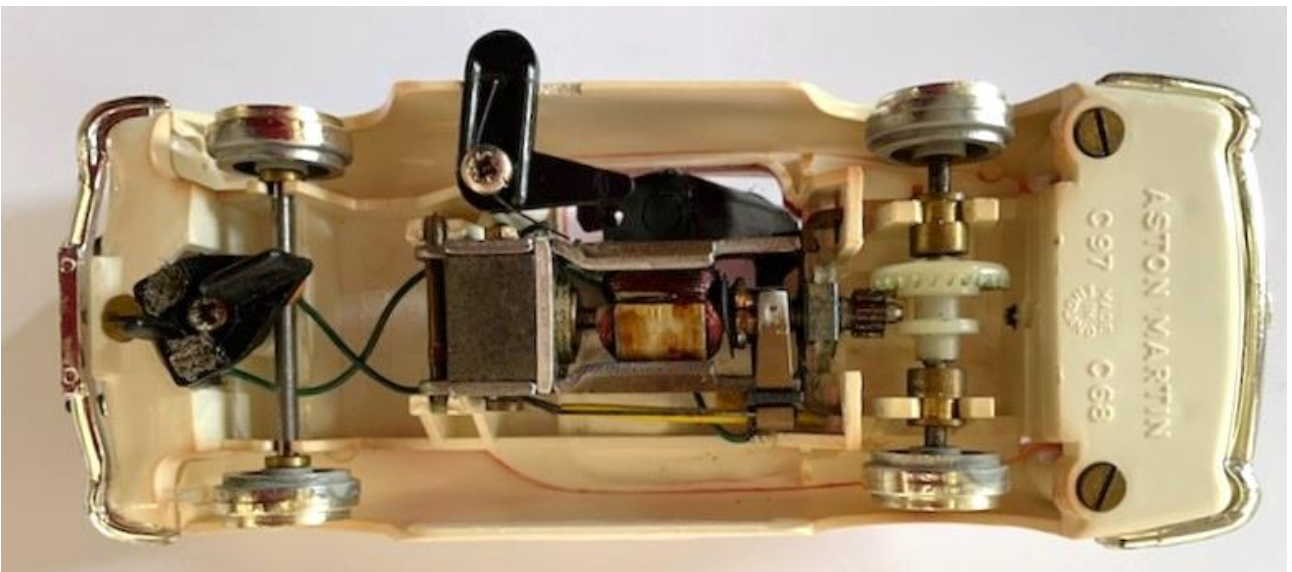

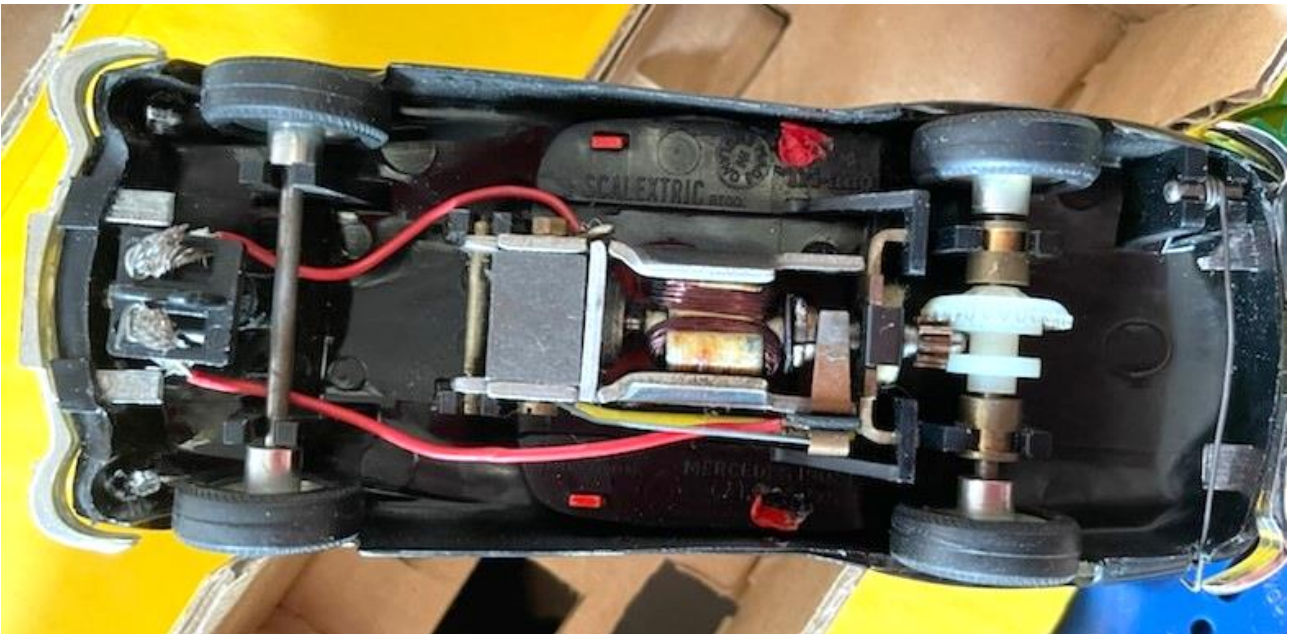

We look forward to seeing many Members there encouraged by:

- The full listing issued 4 weeks earlier than the event.
- The list uploaded to the Club website on or about Friday 12th July.
- Photos of some lots added to Club Facebook in the month prior.

We end the focus on the auction with more photos of Lot 120 James Bond 1960s set with Mercedes and Aston Martin in VGC.

Lot 120 James Bond 1960s set with Mercedes and Aston Martin in GB

We hope to see you at the Members Auction on Sunday 11th August 2024.

Cheers

Dominic and the Club Committee
